REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Regarding claims 11-30, the prior art of record fails to disclose or suggest a valve including an armature and coil having the details of the bore extending between the axially extending first groove surface and the passageway as required by the independent claims.

Regarding claim 34, the prior art of record fails to disclose or suggest a valve including an armature and coil having the details of the bore extending between the first groove surface substantially parallel to an axis of the valve body and the passageway or the second groove surface disposed at an acute angle as required by the independent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bradley T. King whose telephone number is (571) 272-7117. The examiner can normally be reached on 11:00-7:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James McClellan can be reached on (571) 272-6786. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
